

The Lifesaver 101 Group

The safety of our instructors, customers, families and visitors remain Lifesaver 101's overriding priority. As the COVID-19 outbreak continues to evolve and spread globally, only business critical visitors are permitted at any Lifesaver 101 facility at this time.

To prevent the spread of COVID-19 and reduce the potential risk of exposure to our instructors and visitors, we are conducting a simple screening questionnaire. Your participation is important to help us take precautionary measures to protect you, your family and friends, and everyone in this building. Thank you for your time.
